

# FA Cup – Reception & Telephone sales

Purchasing a seat held by a season ticket holder and/ or seats held by season ticket holders within their social bubble

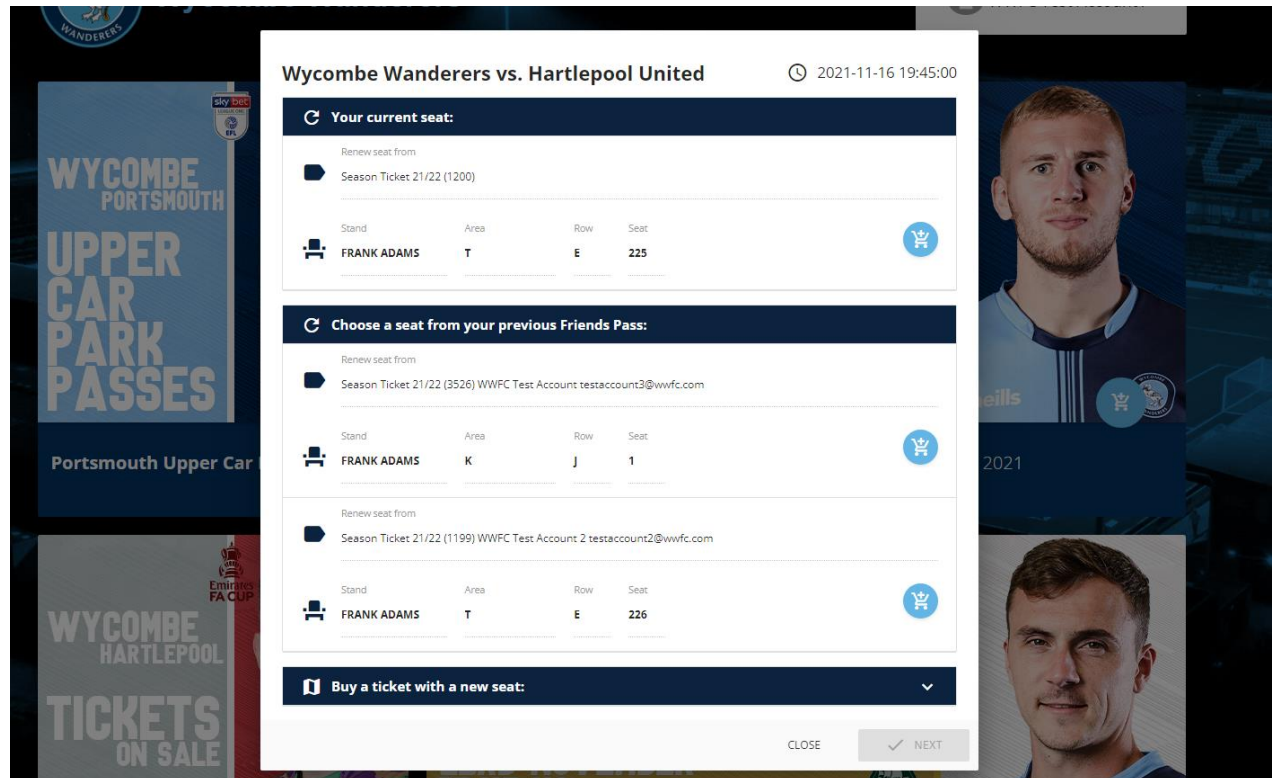

1 – Access the ticketing site at tickets.wwfc.com and click the log in button. Enter your credentials and click log in to access your account.

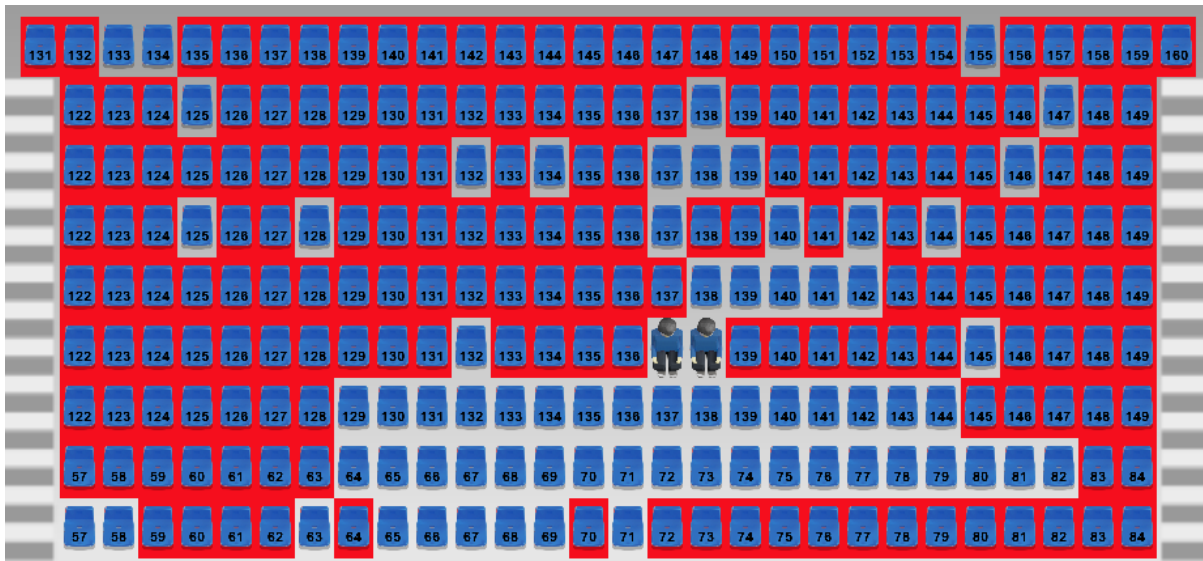

2 – Select the Hartlepool ticket tile (This will be coloured when active)

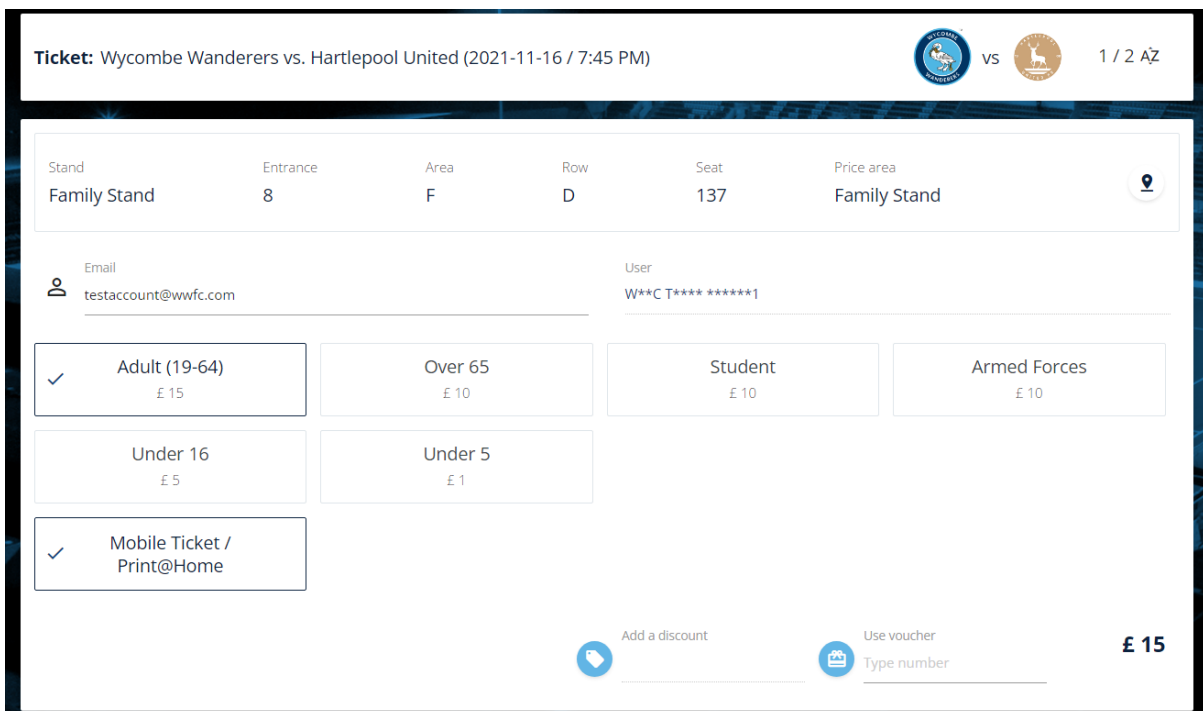

2 – A selection window will pop up. At this point you can either renew pull your own seat, pull seats from social bubble, or select a different seat not reserved. Ensure to click the blue basket button for each ticket you would like to purchase.

To buy a ticket other than your own seat, go to buy a ticket with a new seat and click the blue basket button, this will bring up the stadium plan. Seats reserved by season ticket holders are red, seats available for purchase are in blue. Select any available seats and then press checkout to proceed.

Ensure each ticket is linked to email address on our ticketing system, each ticket type is assigned correctly. Click summary to proceed.

Check the ticket details are correct, choose Square up as the payment method and then press accept to proceed. To access the tickets, log into your account and the tickets will be available to download onto your mobile device or print at home and to be scanned at the turnstiles.
