You will also be sent a private link to the WWFC ticketing website which will allow you to obtain your tickets, You will not have access to tickets this point. On the right hand side, go to the promo code bar and enter your own access code and click apply code.

Wycombe Wanderers vs Stoke City - Sky Bet Championship - Pilot Fixture

EVENT INFORMATION

Wycombe Wanderers are delighted to have received approval from its local Safety Advisory Group for the return of fans to Adams Park for Wednesday's Championship fixture against Stoke City (k.o. 7.45pm).

An application for a pilot event of up to 1,000 spectators has been given the green light and the club looks forward to opening the gates to its proud home for the first time since February.

Places are being allocated to its season ticket holders, executive box holders and key sponsors in line with the club's pledge in the summer that it will grant access to fans in the chronological order in which they purchased their season ticket. Therefore invitations to attend will be issued today (Monday) via email to the 1,000 supporters who were the first to have made their purchase in the summer.

Included in that email will be a link to our ticketing portal where fans will be able to select their seat, and a unique code which will permit you to choose a seat once you have inserted this code where prompted. If you have multiple season tickets assigned to one email address, you will receive multiple codes and will need to type these in where prompted before checking out.

Please note that supporters will most likely not have access to the seat assigned to their season ticket; this is because the club have had to designate available seating in line with social distancing regulations. **You must have selected your seat by 9am on Wednesday morning; if you don't, we will need to presume that you are not attending and we will offer that place to the next season ticket holder on the list. If you cannot or choose not to attend, please email tickets@wwfc.com to enable us to offer your place to someone else. It is absolutely our intention to have 1,000 supporters in the stadium, and no fewer.**

If you do not receive an email, this means you do not fall into the first 1,000 fans to have purchased a season ticket and regrettably we will not be able to accommodate you for this fixture.
