"FRIENDS OF WYCOMBE WANDERERS SET"

Wycombe Wanderers Sports & Education Trust is the official charity of Wycombe Wanderers FC.

We use the power of the club badge & brand to deliver projects and activities that inspire and assist local people so that individuals and their communities can reach their full potential.

We typically deliver in excess of 40 different sessions within our community each week of the year.

Each of the activities we deliver seeks to achieve one or more of the following outcomes for our beneficiaries:

- Increase participation in sport & physical activity
- Promote health and well-being
- Provide education and employment opportunities
- Contribute to community inclusion & cohesion

In order to continue growing our provision and helping as many people as possible, we continually need to raise unrestricted income.

Our "FRIENDS OF WYCOMBE WANDERERS SET" initiative allows us to do this whilst also providing considerable benefits to the businesses who become our "FRIENDS".

This benefit is realised in terms of the positive brand exposure we are able to facilitate for our "FRIENDS", the exclusive benefits offered to our "FRIENDS", as well as the opportunity for your business to realise its Corporate Social Responsibility targets and promote your support of our charity among your employees, stakeholders and external networks.
