COVID-19 – Social Distancing Training/Pre-season Matches/Competitive Matches - WWLFC	Assessment No: 003 Original assessor: Dave Ward – Head Coach			Original Date: 23/08/2020			
Hazards	S	P	RR	Control Measures	S	P	RR
Arrival at ground and basic health check for symptoms	4	5	20	<ul style="list-style-type: none"> One player to step forward when called by coach Coach questions player re temperature, new cough, loss of taste and/or smell/contact with others who are symptomatic Hand sanitiser to be used always upon entering the training area Kit bags remain in cars Player to have own hand sanitiser clearly marked Player to have clearly marked drinks bottle for their sole use 	3	3	9
Social distancing during breaks in training/matches	3	3	15	<ul style="list-style-type: none"> Coaches to ensure that players apply social distancing to 1m plus whilst on drinks break or a break during the session Explain the session clearly and reiterate 1 metre plus rule during any breaks in the session Team talks to be at a social distance Goal celebrations to be muted ie maintain social distancing 	1	1	2
Handling of equipment eg discs, footballs	5	5	25	<ul style="list-style-type: none"> All kit to have been disinfected prior to arrival at the ground including footballs and discs Only coach to touch the equipment with hands and then to sanitise hands once setting up complete Where keepers are working, they must have their own ball as far as is practical and use hand sanitiser if handling a different ball Players to avoid as much as possible touching discs even when they have moved them out of line with their training area Coaches to collect all equipment and to sanitise their hands after clearing up Coaches to avoid using bibs until the guidance eases All kit to be disinfected and cleaned before the next planned session and allocated to one coach per squad to be responsible 	2	2	4
Avoid spitting	3	4	12	<ul style="list-style-type: none"> Players to be reminded not to spit and pulled out of the session if observed doing so 	1	2	3
Travel to the ground	4	5	20	<ul style="list-style-type: none"> Avoid using public transport wherever possible Avoid car sharing where possible If there is no alternative but to car share, all occupants to wear a face covering and to have the windows open for ventilation 	2	2	4
Players to leave the ground maintaining social distancing	4	5	20	<ul style="list-style-type: none"> Players to maintain distance of 2 metres as they head back to cars Players to use hand sanitiser before getting into their car 	2	3	6
Injury treatment	4	5	20	<ul style="list-style-type: none"> If a player gets injured, then they must withdraw from the session and if able get home to be treated by someone in their own household If the injury is more serious then only a trained first aider equipped with appropriate PPE can attend – PPE will include a face mask, plastic face visor, disposable apron and nitrile gloves as a minimum 	3	3	9

RISK ASSESSMENT

Parents observing/dropping off/picking up	3	5	15	<ul style="list-style-type: none">• Parents must ensure that their young player maintains a social distance at all times and follow instructions from the coaching staff• Parents who stay to observe the sessions must not touch any of the equipment eg a stray football• Parents may only be in clusters of 6 maintain social distancing and follow all club instructions at the venue• Parents should wait by their cars at the end of the session and maintain a social distance and leave the venue promptly	3	3	9
---	---	---	----	---	---	---	---

General Notes:

This Covid-19 guidance has been reviewed by the Head Coach of WWLFC. Players will be questioned ahead of the session to ensure that they are in good health and not displaying any symptoms and can verify that they have not been in contact with any symptomatic individual in the past 14 days.

Players must adhere to the instructions and guidance given by the coaching staff who need to lead by example.

Players must practice frequent hand washing and hygiene protocols before, during and after all sessions. Any suspected cases of C19 must be reported to the Head Coach immediately.

WWLFC will continue to monitor and review all guidance from the government and the Football Association and apply that at all times.

RISK ASSESSMENT

ASSESSMENT INFORMATION

RISK RATINGS

<u>Severity (S)</u>	<u>Probability (P)</u>				
	1	2	3	4	5
5	5	10	15	20	25
4	4	8	12	16	20
3	3	6	9	12	15
2	2	4	6	8	10
1	1	2	3	4	5

Overall Risk (RR)

1-6
Low

8-12
Medium

15-25
High

SEVERITY

- 5 = Causing death
- 4 = Causing permanent disability e.g. loss of limb, sight or hearing
- 3 = Causing temporary disability e.g. fracture, dislocation, unconsciousness
- 2 = Causing minor injuries e.g. sprains, bruises, lacerations
- 1 = Causing no injuries

PROBABILITY

- 5 = Inevitable occurrence
- 4 = High probability of occurrence
- 3 = Likely to occur
- 2 = Low probability / isolated occurrence
- 1 = Unlikely or remote
